

# YOU COULD BE JUMPING FOR JOY THIS CHRISTMAS!

If you 'contracted' - out of 'SERPS' (State Earning Related Pension Scheme) in the mid 1980's and were employed, then you may well have a 'Pot of Gold' you didn't realise you had!

All you need to do is telephone or call into one of our 11 offices and we will do the rest.

'NO Hard Sell' and this is a completely **FREE** Service!!
